

LIST OF TABLES

1. Summary of 1970/1971 channel margin classification.....	8
2. Indicators of factors affecting erosion and accretion	16
3. Summary of area eroded 1970/1971 to 2002	21
4. Summary of lateral movement from 1970/1971 to 2002.....	21
5. Regression of lateral movement on significant causal factors and margin type.....	24
6. Correlations of causal factors and channel margin movement	25
